BUILDING SERVICES

Company Profile

About us

Carnegie Building Services has been established for 5 years and we want to continue to grow in 4 specific areas.

- Construction
- Maintenance and Refurbishments
- Waterproofing
- Green Technologies

We see our success coming from the strong relationships that we form with our customers and our workforce.

We actively look to do much of our work in partnership with our clients, building trust and strong relationships.

Our attitude is “solutions not problems” and "can do" at all times.

Our promise to the customers is that we will communicate effectively throughout and we will always leave a quality finished job.
